

# 575 WORKMATE HARDTOP

The work horse of the Surtees fleet, Workmate is designed with a reduced cabin and larger cockpit that maximises deck space for serious fishermen – and serious fishing gear. Available as a Hardtop or an ingenious fold-down roof that enables garage storage.

The Surtees 575 is the new generation of the famous Surtees 5.5. With its handling, stability and extended cockpit providing more deck space for fishing, another iconic fishing machine has been born.
