

650 WORKMATE HARDTOP

The work horse of the Surtees fleet, Workmate is designed with a reduced cabin and larger cockpit that maximises deck space for serious fishermen – and serious fishing gear.

The 650 Workmate Hardtop is tough, durable and built to fish. In true 'Workmate' fashion this boat is hard working. Add to it a functional all weather hardtop and a long list of SiQ™ features results in a fishing machine without rival.

Available with the Garaging Fold Down Roof system.
